**Diagnosed with a neurological condition?  
Affected by a brain injury?**

**Let the Working Life Service  
and NeuroLife help**

## What is the Working Life Service?

- **Diagnosed with a Neurological Condition?**
- **Affected by a brain injury?**
- **At a crossroads in your working life?**
- **Worried about work?**
- **Nothing to do during the day?**
- **Looking for something to occupy your time?**

## The Working Life Service and NeuroLife may be able to help...

The Working Life Service is a service run by Neurosupport to help people affected by a neurological condition or a brain injury to assist them in retaining a job, returning to work, job preparation or finding a meaningful alternative to work.

The Working Life Service and NeuroLife will help to reduce or eliminate the barriers to moving forward using some of the methods listed on the following page.

We also support those caring for someone with a neurological condition or brain injury.

## How can the Working Life Service help?

The Working Life Service Employment Section can help with all your employment needs.

The Working Life Service will offer a focused guidance interview to enable you to decide what you want to do next.

The service can offer:

- **Help on keeping your job**
- **Advice to your employer**
- **Guidance on alternative careers and training**
- **A job club offering CV writing skills, job search, application and interview skills**
- **Confidence building measures**
- **Guidance about alternatives to work**
- **Advice on financial matters**

Not ready for work?  
Unable to work?  
Then let **NeuroLife** help.

## How can NeuroLife help?

If you are not yet ready for work or need to address some of the barriers that make working difficult then NeuroLife may be for you.

NeuroLife will offer a focused guidance interview to help you identify the barriers to moving forward and the solutions to overcome them.

NeuroLife can offer:

- **Personal Development courses**
- **Confidence Building courses**
- **Basic Skills courses**
- **Health related courses**
- **Other short courses**
- **Benefits advice**
- **Debt advice**
- **Legal advice**
- **Individual Counselling**
- **Help to sort out problems with daily living**
- **A chance to talk to the specialist organisations about the different neurological conditions**
